In the event the committee, or its designated representative, fails, within thirty (30) days after plans and specifications have been submitted to it, to approve or disapprove the same, or in any event, if no suit to enjoin the construction has been commenced prior to the completion thereof, written approval will not be required, and the related covenants shall be deemed to have been fully complied with.

## I.

No outdoor-type toilet shall be erected or maintained, and all toilets shall be located inside the principal building and shall be connected with proper septic tanks that conform with state and county health laws and regulations. P.

These covenants and restrictions are to run with the land and shall be binding on all parties and all persons claiming under them. These covenants and restrictions may be amended by a vote of fifty-one (51%) percent or more of the property owners. Record owners of the lots shall be entitled to one vote for each lot as shown on the recorded plat. Any owner who desires to call an election for the purpose of suspending or amending all or any part of these protective covenants and restrictions in accordance with the foregoing provisions shall request such election by written notification to the Subdivider and all record owners of lots within the Subdivision.

Q.

Failure to enforce any restriction, condition, covenant, or agreement herein contained shall in no event be deemed a waiver of the right to do so thereafter as to the same breach or as to one occurring prior or subsequent thereto.
