HOMEOWNER'S PLUMBING PERMIT APPLICATION

NAME:		
STREET:		
CITY:	STATE:	ZIP CODE:
TELEPHONE NUMBER:	DATE:	
I hereby make application for a Homeowner's Plumbing Permit to install plumbing in a single family-family dwelling owned and occupied or to be occupied by me.		
The dwelling address is:		
I understand an isometric drawing of the work I plan to do must accompany this Application.		
I understand I must pay \$25.00 for examination of my drawing.		
I understand my Homeowner's Plumbing Permit will cover ONLY the installation I have described in my drawing.		
I understand I may not do duct work or gas piping systems.		
I understand my work must comply with the Uniform Plumbing Code and the New Mexico Plumbing Code.		
I understand I must perform ALL the work myself and I cannot hire a journeyman to perform any of the work as it would jeopardize his/her license as well as my Homeowner's Permit.		
I understand I will be advised by CID of the name and telephone number of the State Mechanical Inspector in my area.		
I understand my drawing will be examined by a member of the Mechanical Bureau and must be approved before I qualify for a Homeowner's Plumbing Permit.		
I understand I must obtain an appropriate Plumbing Permit before I begin any plumbing work.		
I understand I must contact my State Mechanical Inspector for all required inspections.		
I understand I must obtain a Re-Inspection Permit each and every time I call for an inspection and do not pass the inspection, am not ready, am not at home, or the Inspector is denied access to the work for any reason. I understand I must obtain a Re-Inspection Permit for each additional trip the Inspector has to make to my premises and that the Re-Inspection Permit must be obtained BEFORE the re-inspection can take place.		
I am submitting the following:		
<ul style="list-style-type: none"> • This Application for a Homeowner's Plumbing Permit; • An isometric drawing of the work I plan to do; and • My check or money order for \$25.00 made payable to "Construction Industries Division."
